1. Which of the following best describes the atmosphere in productive Six Sigma team meetings?

- ☐ Quiet and professional
- ☒ Informal and relaxed
- ☐ Formal and orderly
- ☐ None of these

 **Correct**

Correct. The atmosphere is informal and relaxed with productive teams. This is important because when team members are comfortable with each other, they are more likely to communicate openly and honestly, and team creativity will be enhanced. Team leaders should monitor the team's development to make sure that the team is moving effectively through the Storming and Norming stages and becoming more comfortable working together.
